Expression Of Interest are hereby invited for the following:

WASTE WATER AND ASSOCIATED BY-PRODUCTS RE-USE PPP PROJECT

NB: Regulation 44 of the Supply Chain Management Regulations states that the Municipality may not make any award to a person who is in the service of the State, and if that person is not a natural person, of which any Director, Manager, Principal, Shareholder or Stakeholder is a person in the service of the State, or who is an advisor or consultant contracted with the Municipality or Municipal entity.

The City Of uMhlathuze is located in a large and growing economic region which is dependent on an adequate supply of water to sustain both Industry and its residents. The City of uMhlathuze intends to establish and identify suitably qualified, experienced and committed private parties to possibly establish waste water treatment plants and capacity for the treatment and delivery of waste water and associated by-products to off-takers. The potential private party is required to demonstrate its ability to construct a waste water treatment plant, treat waste water and associated by-products for re-use and deliver the treated waste water and associated by-products for re-use. The City of uMhlathuze is seeking entities who have the capacity and capability to deliver the Project. The Respondents are encouraged to as far as possible, consider an integrated approach and support of the growth and diversification of the local manufacturing sector.

Expression of Interest documents will be available at the DEPARTMENT OF INFRASTRUCTURE, Water and Sanitation Section situated on the 2nd Floor of the Richards Bay Civic Centre, Office D214, from Ms. Jackie Lourens, telephone (035) 907 5095 or alternatively by email: LourensJC@umhlathuze.gov.za **from 12 March 2018 at 12h00.**

Technical enquiries can be directed to Mr NR Maharaj Tel: 035-907 5898
